CONSTITUTION & BY LAWS

Article I – Name

The name of this organization shall be Alliance Academie, hereinafter referred to as the “Association.”

Article II – Purpose

The Association is formed to promote collaboration among tutors, uphold professional standards in tutoring, and support educators in delivering quality instruction.

It is a member-based organization that also exists to assist tutors in finding other sources of ancillary income, through networking, tie-ups and collaborative efforts, which the member can use to support their expenses in acquiring additional academic credentials. However, any incidental income earned by its individual members through the association’s help is directly credited to the member and the association does not regulate or determine the tax treatment of members’ supplemental freelance income. Members operate independently and, if required, are responsible for complying with applicable tax and regulatory requirements. In this way, the association does not have an authority to accept payment or issue any receipt, whether official or a mere acknowledgement, to any individual or institution in exchange for its members’ academic assistance.

The association, however, can receive receipts from the association’s consultants, service providers and suppliers for the Chairperson’s safekeeping whenever the association avails of services from external parties and pays the said supplier or service provider.

CONSTITUTION & BY LAWS

Article III – Membership

Membership shall be open to individuals engaged in tutoring or educational support services who agree to abide by the rules and principles of the Association.

Article IV – Officers

The Association shall be led by elected officers, including a Chairperson, a Vice-Chair, Secretary, Public Relations Officer and other roles as deemed necessary.

Article V – Meetings

Regular meetings shall be conducted online at intervals determined by the officers.

Special virtual meetings may also be called when necessary.

Article VI – Conduct

All members are expected to act professionally, ethically, and in accordance with the objectives of the Association.
